

VVTA RFP 2021-06 LANDSCAPE SERVICES ADDENDUM NO. 2

Friday, February 12, 2021

This addendum is provided to all known prospective proposers for clarification of the subject Request for Proposal (RFP).

After the job walk on 02/10/2021, it was determined that addition items and services need to be added to the project. Please use this form to submit your proposal:

Line 1 – Proposer is required to do a full assessment of the current sprinkler system and basic cleanup of plants and yard. Please provide a cost for the assessment below. After an assessment is completed and approved by VVTA, fill out a complete proposal for the landscaping upgrade.

Line 2 – Cost for plants, either new or replacement of dead and diseased plants. Some alternates discussed were succulents and Yucca type plants. There are also many locations for new plants. Photos of the areas are attached to this addendum.

Line 3 – Cost to include Root Barriers for plants that can cause the uplifting of sidewalks in the future.

Line 4 – Cost for rocks (Boulders) that are high enough and have flat tops for employees to sit on.

Line 5 – All Labor needed to complete the project.

Optional – Cost to fix sidewalks where roots have lifted some sections and are causing a trip hazard.
