PUBLIC HEARING AND REGULAR MEETING OF
THE BOARD OF DIRECTORS**

MONDAY, MAY 17, 9:30 A.M.

Victor Valley Transit Authority
17150 Smoke Tree Street
Hesperia, CA 92345

SUPPLEMENTAL AGENDA

ACTION ITEMS

- Item #12:*** **Redesign of the Victorville Bus Network to Accommodate Relocating of the Costco Transfer Hub to the Victor Valley Transportation Center.**
Recommendation: 1) Receive any public input and testimony on the service changes related to relocating the Victorville Transfer hub from Costco to the VVTC, along with schedule changes and Route 15 service changes; and 2) Begin 30-day comment period.
Presented by: Stuart Geltman, AECOM.

VICTOR VALLEY TRANSIT AUTHORITY

AGENDA MATTER

Redesign of the Victorville Bus Network to Accommodate Relocating of the Costco Transfer Hub to the Victor Valley Transportation Center.

SUMMARY STATEMENT

Victor Valley Transit (VVTA) has been expanding service over the years. As a result, the current Victorville transfer point at the Costco location near the intersection of 7th Street and Lorene Drive can no longer accommodate the volume of buses serving the transfer point at any given time. In addition, there are insufficient passenger amenities. As a result, VVTA will be relocating the transfer hub from Costco to the Victor Valley Transportation Center (VVTC) located on D Street. The move to the VVTC required a redesign of the Victorville route network affecting Routes 15, 22, 31, 32, 41, 50, 50X, 51, 52, and 55. As the changes to these routes represent a significant impact, a public hearing is required to allow public comment on the route changes.

At the same time that this redesign will be implemented, three other service changes will impact the Victorville routes. The first change is that Route 15 express service serving Cal State University San Bernardino (CSUSB) will be implemented. This change will provide additional service providing direct return service from the CSUSB to the Victor Valley. The second change is the addition of an early morning weekday trip for Route 15 from Victorville to Barstow to service the Barstow courts new earlier opening hours. Schedules on the bus routes that serve VVTC will be adjusted to connect with the additional Route 15 service.

The redesign of the Victorville routes will change the routings for all services that serve the Costco transfer hub today. There are changes that will add and, in some cases, eliminate service on streets for some routes. Also, there will be bus stop changes to accommodate service along streets, or directions, that are not served today or where service will no longer operate. The following maps present the new routings for routes that serve the Victorville Transfer point.

RECOMMENDED ACTION

1. Receive any public input and testimony on the service changes related to relocating the Victorville Transfer hub from Costco to the VVTC, along with schedule changes and Route 15 service changes; and 2) Begin 30-day comment period.
