(760) 995-3563**

It is the Bidder's sole responsibility to ensure that the Quotes are received by the date and time stated above.

4. Bonds

A Performance Bond and Payment Bond may be required by the awarded contractor after the notice of intent to award.

5. Prevailing Wage

Minimum wage rates for this project have been predetermined by the Secretary of Labor. If there is a difference between the minimum wage rates predetermined by the Secretary of Labor and the prevailing wage rates as determined by the State for similar classifications of labor, the Contractor and his/her subcontractors shall pay not less than the higher wage rate. In accordance with provisions of Section 1773.2 (amended 1977) of the California Labor Code copies of the prevailing rate of per diem wages as determined by the State Director of Industrial Relations and are available at the California Department of Industrial Relations' Internet web site at <http://www.dir.ca.gov/oprl/DPreWageDetermination.htm>. Future effective general prevailing wage rates, which have been predetermined and are on file with the California Department of Industrial Relations are referenced but not printed. Copies of the prevailing wage rates are on file with VVTA and available upon request.

This work falls under the Davis-Bacon Act, as amended (40 U.S.C. 276a to a-7) and that contractor shall supply VVTA with certified payroll documentation. The Davis-Bacon and Related Acts will apply to contractors and subcontractors performing construction, alteration, or repair with federally funded or assisted contracts \$2,000 or more. Under this Act, contractors shall be required to pay wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week. A

current copy of the Davis Bacon Wage Determinations is available upon request. Contractor shall attach a copy of the prevailing wage to bid Quote. The award of contract shall be conditioned upon the acceptance of the wage determination.

If State of California prevailing Wage is higher than Davis Bacon, contractor is required to pay the higher rate.

6. Vendor Registration with the California Department of Industrial Relations California SB 854 Compliance

VVTA will not accept a Quote from or enter the Contract with a Bidder, without proof that the Bidder and its Subcontractors are registered with the California Department of Industrial Relations (DIR) to perform public work under Labor Code Section 1725.5, subject to limited legal exceptions. The Bidder shall enter DIR Registration Number on the Quote.

The successful Bidder shall be required to comply with all applicable Equal Opportunity Laws and Regulations.

INTRODUCTION

Victor Valley Transit Authority, located at 17150, Smoke Tree St, Hesperia, CA 92345, requires the Facility Floor Resurfacing of the existing facility which is comprised of a fuel/wash building, maintenance building, and administration building.

GENERAL DESCRIPTION

Victor Valley Transit Authority requires Facility Floor Resurfacing of the existing facility which is comprised of a fuel/wash building, maintenance building, and administration building including the stairwell. The system and steps for installation of the epoxy and resinous flooring are to be proposed by the contractor in which they deem to be the best solution for VVTA.

The awarded contractor shall provide to VVTA sample colors/styles for the epoxy/resinous flooring to be installed in all areas. All products proposed by the contractor shall have a useful life of 10 years or greater. The awarded contractor's material, procedures, and planned work are to be reviewed and approved by VVTA staff before starting any work.

The Contractor shall furnish all labor, tools, equipment, and materials for all work required on this project. The contractor must remove all debris and clean up the space prior to leaving the site and dispose of said debris responsibly.

Due to the 24/7 staffing in the maintenance department, work must be completed in sections to allow VVTA staff to continue working without undue interruption. The contractor will be allowed to work during normal business hours (8:00 AM to 5:00 PM) after hours, as necessary, to complete the work.

Due to this project coinciding with the other two Facility Refurbishment projects, the contractors should anticipate coordinating and planning with and around the other awarded contractors.
