February 16, 2024

This addendum is provided to all known prospective proposers for clarification of the subject Request for Proposal (RFP).

The following are questions received, so far.

- Q1: "Can VVTA please confirm if the price evaluation is based on the entire price (start-up, base term, and option term), or just the base term price (start-up & base term)?"
- A1: The price evaluation will be based on start-up, base term.
- Q2: Would VVTA consider making major components (e.g., engines, transmissions, EV batteries) a pass-through cost?
- A2: VVTA will not consider making major components a pass-through cost on vehicles with internal combustion engines.
 - VVTA will consider pass-through costs or procure replacements on Battery Electric Bus batteries, that are in need of replacement, outside of the warranty period of the buses. This will occur only after such failures are determined not to be the fault of poor or insufficient maintenance on the part of the contractor. Such a determination will be the sole decision of VVTA after analyzing the vehicle maintenance records.
- Q3: "Please clarify where the hydrogen buses will be fueled prior to the hydrogen fueling stations being constructed at the two facilities."
- A3: VVTA is expecting its hydrogen fuel station and bus deliveries to be completed concurrently. VVTA is not expecting to have to fuel hydrogen buses at a different location.
- Q4: "Per Section 10.3 of the RFP, it is our understanding that VVTA will pay the additional cost of repair for parts that exceed \$10,000. Does this apply to all parts for the repair of vehicles and facility equipment or only for specific items?"
- A4: Section 10.D.3 is for parts (individual or group of parts) exceeding \$10,000 for facilities only. VVTA will pay for the additional cost over \$10,000. VVTA will **NOT** pay the additional cost of repair parts that exceed \$10,000 **for vehicles**.
- Q5: "Can VVTA please lower the service change threshold from 20% to 10%?"
- A5: No

- Q6: "Can VVTA please confirm that the payment mechanism will be a variable rate per revenue hour for each service type, as well as a fixed fee as shown on the pricing forms?"
- A6: Yes, variable rate per hour per service type as well as fixed fee.
- Q7: "Please confirm what utilities the Proposer is responsible for **other than internet** services, if any."
- A7: Per Scope of Work, XIV, 3: Telephone system.
- Q8: "In accordance with California Labor Code, can VVTA please provide all labor information including the Collective Bargaining Agreement and the Employee Roster by Seniority, Wage Rate, and Benefit elections?"
- A8: See Addendum No. 1 Exhibit 1
- Q9: "Can VVTA please share Driver turnover and absenteeism data over the past 2 years?"
- A9: See Addendum No. 1 Exhibit 2
- Q10: "Will VVTA consider a contract provision permitting the Contractor to seek an equitable adjustment in price due to a change in law (i.e., minimum wage legislation)?"
- A10: For minimum wage requirements, please see https://www.dir.ca.gov/dlse/minimum_wage.htm#:~:text=The%20minimum%20wage%20in%20California,%2416.00%2Fhour%20for%20all%20employers.
- Q11: "Anticipated Contract Start Date TBD": Can VVTA please clarify the contract start date(s), for both Revenue Service Commencement and anticipated Start-Up period (or NTP)?"
- A11: Due to the time to receive and evaluation proposals, interview proposers (if deemed necessary), and Caltrans review and approval of the final contract VVTA envisions the earliest possible start as July 2024; however, VVTA would prefer not later than October 2024.

- Q12: "The Proposer shall empty fareboxes/fare collections daily per VVTA written procedures, deposit cash in the bank account designated by VVTA using armed vehicle service from third party contracted with VVTA. The deposit process should be performed at least twice a week.' Please clarify whether VVTA or the Contractor pays for armored transport services."
- A12: Armored Vehicle Service shall be the responsibility of the awarded contractor.
- Q13: "'VVTA requires that the run cut be performed at VVTA's Hesperia facility using VVTA's software, currently Optibus, or equivalent upon VVTA approval.' Please clarify who is responsible for the cost of Optibus?"
- A13: As each party uses Optibus in the schedule development process, VVTA and the Contractor each contribute a 50% share of the cost of Optibus. VVTA uses Optibus for trip building and creating bus schedules, and for vehicle blocking. This information is then provided to the Contractor who uses Optibus in the run cut process and for the upload of work assignments to GMV Syncromatics.
- Q14: "Paratransit Trip Data: To ensure that all bidders have the same information as is readily available to the current incumbent contractor and in an effort to provide maximum cost savings to the Victor Valley Transit Authority (VVTA)and assist bidders in assessing system trip-making patterns, we would like to receive the following data in excel for a recent seven-day period. We would like this data to be drawn from a fairly representative week for the service which excludes holidays or unusual trip-making patterns associated with adverse weather or special events.
 - a) Origin and destination latitude and longitude coordinates for each scheduled trip
 - b) Final status of each scheduled trip, e.g. whether the trip was provided, cancelled or no-showed
 - c) Scheduled and actual pick-up and drop-off times for each performed and no-showed trip
 - d) Passengers transported, broken down by riders, attendants, companions, children and any other passenger categories tracked by the system
 - e) For each trip, whether the rider used a mobility device, service animal or any other equipment codes
 - f) Number of trips denied, broken down by capacity, eligibility and rider refusals as well as by any other category currently tracked."
- A14: Please see Amendment 1 Exhibit 3 for the data requested.

- Q15: "Paratransit Call Data: To ensure that all bidders have the same information as is readily available to the current incumbent contractor and in an effort to provide maximum cost savings to Victor Valley Transit Authority (VVTA) and assist bidders in assessing call center agent schedules and productivity we would like to receive telephone system reports for a fairly representative week for the service which excludes holidays or unusual weather or events which might have impacted service levels:
 - a) Inbound and outbound calls by time of day
 - b) Total inbound calls abandoned by time of day
 - c) Average time to answer by time of day
 - d) Longest wait time
 - e) Average call length
 - f) Agents logged in by time of day
 - g) Average agent availability."
- A15: Please see Addendum No. 1 Exhibit 3 for the data requested.
- Q16: "* Pg 2 indicates that hard copy proposals received after the 3/7 deadline will not be accepted. However, Section L Part 7 indicates that if the proposal is submitted through publicpurchase.com, the hard copy originals may be received within 5 days after the due date. Please confirm that if a proposal is submitted in its entirety via publicpurchase, the required hard copy originals will be accepted past the 3/7 deadline."
- A16: Proposers may submit a hard copy of their proposal prior to the deadline for proposals along with a digital copy (flash drive) of the proposal. Proposers are also allowed to submit their proposals via publicpurchase.com we just ask that the pricing and technical proposals (including copies of the required forms) be submitted as separate files. If a proposer submits their proposal via public purchase.com Hard copy originals of any NOTARIZED documents are required to be received by VVTA within 5 business days of the proposal due date.
- Q17: "Section K, Format of Proposals, the RFP states that all fixed route locations for the last five years should be included on the Reference Forms in Attachment E. The actual form states that a minimum of five references for which we've provided services in the last seven years should be included. Please confirm that a minimum of five references of similar size and scope is sufficient. For large companies, providing all fixed route contracts over five years could include an excessive amount of information that is not all relevant to this procurement."
- A17: A minimum of five references of similar size and scope during the past 7 years is sufficient.

- Q18: "Please confirm the following are not included in the 100-page limit for the technical proposal: Cover Pages and Tabbed Dividers, Cover Letter (separate 3 page limit), Title Page, Table of Contents, Required Forms, Required Attachments such as resumes, policies and procedures, financial statements, etc., Additional Attached providing by the proposer to further illustrate proposed approach, such as start-up schedule, technology brochures, sample reports, etc."
- A18: VVTA concurs with the above request, except for additional attached documents shall be counted in the 100-page limit.
- Q19: "Please confirm Attachment B "Third Party Contract Clauses" is included with the RFP for informational purposes and is not required to be signed & returned with the proposal submission."
- A19: This is informational; however, the Exhibit will be included in the resulting contract. Per the contract language: "All the Exhibits mentioned in this Agreement are attached and are herein incorporated. This Agreement and the other Exhibits mentioned constitute the entire Contractual Agreement between the parties." By signing the contract, if you are the awarded contractor, you will be required to agree to the Contract Clauses and their requirements.
- Q20: "Would Victor Valley Transit Authority (VVTA) consider extending the due date by 3 weeks?"
- A20: VVTA does not intend to extend the due date currently.

The following questions were posed during the Pre-Proposal conference and job walk on 02/12/2024. The Pre-Proposal Sign-in Sheets are attached to this Addendum as Exhibit 3.

- Q21: "Warranties for the BEB, can we get a list each bus and the date the warranty started?"
- A21: See attached Adden 1 Exhibit 5. Vehicles 301-307 were accepted by VVTA in August 2019 and vehicles 308-312 were accepted in October of 2021.
- Q22: Details for each of the future facilities? As much detail as possible? Size and floor plans?
- A22: The future VVTA facilities include the following:
 - Hesperia Hydrogen Fueling Station
 - Located at VVTA's main facility
 - 2 private 350 bar dispensers
 - o 1 public 350/700 bar dispenser
 - 18,000-gallon liquid hydrogen tank

- Natural gas backup generator
- Minimal footprint
- Operation and Maintenance is contracted for 1 year with 1 option year upon completion of the station.
 - VVTA may continue beyond the 2-year O&M period
- Estimated completion Q4 2025
- Hesperia Transfer Hub
 - Located adjacent (east) of VVTA's Hesperia location
 - o 10 bus cutouts
 - Small building
 - 2 public restrooms and 2 private restrooms for employees
 - Ticketing office
 - Security office
 - Small break room
 - Furnished
 - Landscaped similar to current Hesperia facility
 - Parking lot with 75-100 parking spaces
 - Estimated completion Q1/Q2 of 2026
- Barstow Hydrogen Fueling Station
 - Located at the current VVTA LCNG station
 - Planned 2 350/700 bar dispensers
 - Planned 6 DC fast charger charging stations
 - Planned 18,000-gallon liquid hydrogen tank
 - Minimal footprint
 - Planned operations and maintenance contract
 - Estimated completion CY2027/2028
- Barstow Transfer Hub
 - o To be determined.
- Q23: Start Date goals and transition timeline?
- A23: See A11. 60-day transition is desired.
- Q24: Are all amenities in Dispatch (chairs, furniture, etc...) provided by VVTA?
- A24: All amenities, such as chairs and furniture, in Dispatch are provided by VVTA.
- Q25: Can we get floor plans with square footage for each of the facilities?
- A26: Please see Exhibit 6 for the floor plans for each of the current facilities.

Q27: Please confirm if there is a DBE goal for the Operations and Maintenance Services contract.

A27: VVTA has a Race Neutral Goal of 4.75%. Because VVTA's goal is race neutral, VVTA is prohibited from establishing contract goals on solicitations. So, no. There isn't a specific goal; however, there are extra points for proposed DBE subcontractors.

As stated in the RFP, all addenda must be acknowledged. Please use the acknowledgement form in Attachment E of the RFP to acknowledge receipt of this addendum. Failure to acknowledge any addenda to this RFP may be a cause to deem Proposer "Non-Responsive."

Keolis VVTA Roster: January 29, 2024
