

Victor Valley Transit Authority Comprehensive Operational Analysis

Análisis Operativo Integral de la Autoridad de Tránsito de Victor Valley

Victor Valley Transit Authority (VVTA), in partnership with Transportation Management & Design, Inc. (TMD) is evaluating all aspects of the VVTA system throughout the greater Victor Valley area to determine potential improvements to create a more equitable, effective, and efficient transit network. This analysis is called a Comprehensive Operational Analysis (COA).

La Autoridad de Tránsito de Victor Valley (VVTA, por sus siglas en inglés), en asociación con Transportation Management & Design, Inc. (TMD) está evaluando todos los aspectos del sistema de la VVTA en toda el área metropolitana de Victor Valley para determinar posibles mejoras para crear una red de tránsito más equitativa, eficaz y eficiente. Este análisis se llama Análisis Operativo Integral (COA, por sus siglas en inglés).
